

# NEW FOREST HOMES FOR UKRAINE

## Diversity and Inclusion Policy

15<sup>th</sup> June 2022

New Forest Homes for Ukraine CIC is committed to advancing equality of opportunity, respecting difference, eliminating discrimination and fostering great relationships between all who volunteer for or collaborate with us or use our services.

We are an entirely voluntary organisation and we welcome people from diverse backgrounds and age groups, both British and foreign nationals to our teams.

We offer diverse volunteering opportunities and find ways to involve those who come forward fitting roles to the skillset and experience of each volunteer so they can make a positive contribution.

We aim to mentor each other sharing experience and developing the confidence to tackle new challenges.

Volunteers can get in touch with us in a variety of ways (meetings, website, email, letter) so we are accessible.
